

To: Sam Houston/A9 FFA Talent Teams

From: Rhett Wilson, Talent Coordinator

Re: SH District/Area 9 Talent Teams

Congratulations on being selected to represent your FFA Chapter in the FFA Talent Contest. Please be sure to read the rules every carefully, and if you have any questions regarding them, ask well in advance of the contest.

Below are the steps that must be completed for your entry into the Talent Contest:

Dates/location:

See Area IX Website Calendar for location and date. Your advisor will also be emailed.

Rules and Acknowledgment Form:

Sam Houston District and A9 follows Tx FFA State Rules with the exception of District/Area specific information. See the Area IX FFA website for acknowledgement form.

Read carefully and sign the acknowledgement form found on the Area IX FFA website.

Bring to rehearsal signed.

Rehearsal:

A member of the team and the ag teacher/or parent needs to be present at the time designated the day of rehearsal for instructions and drawing of order, but individuals with the most knowledge of the performance setup are essential. At this meeting, order will be drawn and teams will be given 3 minutes on stage from set up to mike check. Rehearsal will be in reverse order drawn. If not present within 30 minutes of deadline posted to meet, you will not be able to do a mike check/rehearsal.

Entry:

Enter on judging card

Lyrics and Sound systems:

Email lyrics to Mr. Wilson and any specific needs on stage, ie. 2nd mic, handheld mike, etc. to rhett.wilson@crockettisd.net prior to rehearsal to see if we can help you. The convention hall sound system is all that Area will provide. If you need any extra cords or plugs, please remember to bring your own. The Districts, A9 or the host is not responsible for your specific talent team needs other than handicap accessibility and/or the speaker system in the hall. No changes can be made after you email the lyrics unless not approved by Talent Coordinator, and then you will have 12 hours to submit a new song.

Thank you,

Rhett Wilson
